REPORT OF FULLER PUBLIC LIBRARY

We submit herewith report of Fuller Public Library for the year ending January 31, 1929.

It is with sincere regret that we note the death of one of the trustees, Mr. George W. Haslet, which occurred Nov. 29, 1928. He had served as a member of the board of trustees for more than thirty years.

During that time Mr. Haslet always displayed a keen interest in the library. Through his generosity the new rooms were furnished, and a bequest in his will perpetuates his wish that the town's people may enjoy a first class library.

We gratefully acknowledge the many gifts of books and of magazines sent us by our friends.

REPORT OF THE TOWN SCHOOL DISTRICT

For the fiscal year beginning July 1st, 1927, ending June 30, 1928

To the Inhabitants of Hillsborough:

The Board of Education of the Town District respectfully submits its annual report with that of its Treasurer, Superintendent and Auditors.

There have been six schools maintained in the District, and the work accomplished deserves much credit for the pupils and teachers.

The school-houses were thoroughly renovated and many other necessary repairs made. The wood-shed at the Lower Village school was in a very dilapidated condition, the building and its underpining was repaired and we now have a fine room for storage in the basement, with a wide cement front step that cannot disintegrate by decay.

We have added new equipment that was much needed. We are very grateful to the citizens of the district for their co-operation in all our efforts, and their generous appropriations of money for our use, when we were deprived of State aid. It has made a small increase in our tax bill, but we have tried to give all expenditures our conscientious consideration and hope that when you have carefully examined the reports of your district officers, they will meet with your approval.

We will be pleased at the annual meeting to advise in regard to the work that has been done thus far in 1928-9 and to recommend the appropriations necessary for the fiscal year beginning July 1st, 1929, ending June 30th, 1930.

SUPERINTENDENT'S REPORT

To the School Board of the Hillsboro Town School District, the report of the Superintendent of Schools for the school year 1927-1928 is hereby respectfull submitted:

A list of our teachers, with their salaries, location, amount of experience, education, and form of certification, is given below. C stands for certificate, the highest form of State approval. L stands for license, the next grade, and P stands for permit, granted from year to year. All teachers not having a certificate are expected to prepare, by study, for an examination for a certificate, and unless this is done within a reasonable time, the teacher may lose the license or permit. Our teachers have ample experience, but they lack somewhat in Normal training, and that training was gained almost wholly in summer sessions. Some of our teachers are planning to attend Normal School the coming summer.

School	Teacher	Salary	Years of Experience	Summer Normal Training	Approval
Upper Village	Grace Crane	$900	9	Plymouth	C
Bear Hill	Marian Evans	$720	5 2-3	Plymouth	C
Bear Hill	Charlotte Colburn	$720	2 1-3	Keene	P
Merrill	Elsie Fletcher	$900	4½	Keene	C
Lower Village	Mrs. Fred Gile	$900	5¾	Keene	C
Flat	Gladys Murdo	$720	13		C
Goodell	Susie Pierce	$720	10 1-3	Plymouth	L
	Total	$4,860			

In addition to her summer Normal work mentioned above, Mrs. Evans is also a graduate of New Hampshire University. She resigned for personal reasons, during the year, and Miss Charlotte Colburn was elected to the

position thus made vacant. During the latter part of the school year we found ourselves able to pay a Normal School Senior to act, on the Cadet Plan, as Music Supervisor, and we now hope to have a regular music supervisor hereafter.

Data taken from the teachers' registers show that the total enrollment was 136, with an average membership of 112.4, and an average attendance of 105.1, divided as follows:

School	Enrollment Boys	Girls	Total	Membership Average	Average Attendance	Days Absent	Per Cent Attendance	Tardiness
Upper Village	11	23	34	27.5	25.7	322	93.3	141
Goodell	5	10	15	8.5	8.1	60	96.0	5
Lower Village	14	17	31	28.3	25.4	498	89.8	24
Bear Hill	12	6	18	15.4	14.5	162	94.0	20
Flat	15	7	22	18.0	17.2	146	95.3	18
Merrill	7	9	16	14.7	14.2	76	97.0	0
Totals	64	72	136	112.4	105.1	1264	93.5	208

A careful study of the above table reveals many interesting facts. 47% of our 136 pupils were boys. We would expect a larger average membership than 112.4 from an enrollment of 136. The large difference is accounted for in these ways: 8 did not come to town until some time after the school year had begun, 13 moved from the district during the year, 2 left as soon as the law would allow, and 6 were summer visitors whose parents did not leave town until after the fall term had begun. The per cent of attendance should be around 96. The average for one of the largest schools pulled down the average for the district. The Merrill School has the best record for attendance, and a really exceptional record for punctuality, as not one pupil was tardy during the whole year. A teacher can do a great deal toward making these records good, by being present every morning at least twenty minutes before school time (some are found at school by eight o'clock every morning, and it pays, in more prompt preparation for the day's work, and a neater school room), by believing that punctuality is a virtue to be

taught, by impressing its value upon the pupils, and by properly treating each case of tardiness. Of the 141 cases of tardiness in the Upper Village School, 104 cases were caused by children from two families, one of which has since moved away, and I feel sure that this school will have a better record next year. An epidemic of mumps pulled down our attendance somewhat.

The enrollment by grades was:

1	22	5	19
2	20	6	24
3	16	7	7
4	15	8	13

The Roll of Honor for perfect attendance contained six names:—

Mabel Dodge	Beatrice Gagnon
Ethel Dodge	Helen Peasley
Lawrence Eaton	Mildred Peasley

Helen and Mildred attended the East Washington School 66 days, and the Bear Hill School 106 days, and were neither absent nor tardy in either school, so their names are on the Honor Roll, even though they were not in our school all the year.

There were recorded 293 visits by parents and friends, 8 by members of the School Board, and 172 by the Superintendent, divided as follows:—

School	Parents	Board	Supt.
Bear Hill	76	4	20
Lower Village	67	2	33
Goodell	16	0	20
Upper Village	22	0	30
Merrill	44	2	27
Flat	68	0	42
Totals	293	8	172

An extra large number of visits were made by the Superintendent to the Flat School as that is the storing place for supplies and text books, and he called to deliver or to distribute them.

The National Bureau of Education has started a series of Home Education Letters, and its letter No. 1 is

entitled "Why Parents Should Visit their Schools." Briefly stated it says that parents should visit schools because, first, the school cannot assume full responsibility for the success of the pupils in their school work. By visiting schools, parents can better understand their share in the work. Second, criticism often comes from those who never look inside a school room, but depend upon gossip for their information. First hand information is always best. Third, the effectiveness of the schools of a community depends largely upon the interest parents take in them. Fourth, parents should visit schools because of the direct effect it has on their children. It is stimulating to pupils to know that their parents and teachers are pulling together.

The graduation exercises were held at 2 P.M., on June 13th, at the Lower Village Chapel with the following program:

Invocation	
Recitation, Contentment	Beatrice E. Rowe
Essay, Frankln Pierce	Clifton Peaslee
Essay, Story of The Radio	Isabel Dodge
The House by the Side of the Road	Alice Whitney
Col. Charles Lindbergh	Leonard Riley
Better than Gold	Louise Pinker
The Confederate Army of Stone	Elizabeth Sargent
Kate Sibley	Madeline St. Lawrence
History of the Flag	Arthur Whitney
Henry Ford	Norman Card
Commander Richard Byrd	Leon Gould
The Burning Prairie	Bessie Howard
Song, Commencement Day	
Presentation of Diplomas	Supt. A. A. Holden

The names of the graduates appear on the program.

We have purchased and graded large playgrounds at both the Upper and Lower Village, and have plans made to acquire ample play grounds for the other schools, and the usual necessary repairs were made to the school buildings.

Respectfully submitted,

A. A. HOLDEN,

Supt. of Schools.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Board of Education of the Hillsboro Special School District, the report of the Superintendent of Schools for the year 1927-1928 is hereby respectfully submitted:

Following is the list of our teachers with other information:

Grade 4	Shedd, Estelle	1,000	30	Certificate	

In addition to the above regular teachers, Mrs. Lena M. Ball was supervisor of music, and Miss Edith Messer supervisor of drawing. An extra teacher was needed in the High School and it was decided to try out the Cadet System. This proved unsatisfactory, and Mrs. Mary B. Holden completed the work of the year. The Cadet plan was also followed in the Grammar School, and as it proved unsatisfactory there also it was decided to discontinue its use in this district. Mr. Bowley resigned in November to become Superintendent of Schools in a New Hampshire Union, and at the recommendation of the State Dept. of Education Mr. H. W. Dow was elected to succeed him as Headmaster of the High School.

Our total enrollment was 376 divided as follows:

Grade	Boys	Girls	Total	Tuition
1	24	24	48	1
2	22	17	39	0
3	18	18	36	0
4	14	15	29	1
5	24	22	46	2
6	18	20	38	0
7	8	12	20	0
8	16	9	25	2
9	15	19	34	
10	8	23	31	
11	2	11	13	
12	5	12	17	48
Total	174	202	376	54

Our total enrollment was an increase of 47 over last year's enrollment, and an increase of 7 in the High School, although with 95 pupils in that school, 48 were tuition pupils.

The percentage of attendance was 96.1% and that for the whole state was 95.9%. Our percents varied from 94.2% to 97.6% in Miss Shedd's room. Our punctuality record is improving each year, and this year there were only 159 tardy marks among 376 pupils.

Two grades did exceptionally well, and we wish to express our appreciation to the parents of these pupils as well as to the young people themselves. There was not a single case of tardiness among the 38 in Miss Shedd's room and only two cases in Mrs. Doble's room. With just three exceptions the tardiness record was excellent. The three cases were one high school girl who was tardy 20 times, an eighth grade boy tardy 11 times, and a first grade girl eight times.

From a membership of 343, there are 62 names on the Roll of Honor for perfect attendance:

There are recorded thirteen visits by school board members, 557 by parents and friends, and 509 by the superintendent.

The scholarship was awarded to Miss Frances Craige who entered the Keene Normal School. In the essay contest the prizes were awarded as follows:

First Prize ..... Miss Ethel Smith
Second Prize ..... Lloyd Buttrick
Third Prize ..... Miss Grace Worth

The typewriting department has been doing excellent work. Different typewriting concerns make awards

for rapid and accurate work on their machines and our pupils received 63 certificates, 39 bronze pins, 17 silver pins and 11 gold pins. A very beautiful bronze medal was given by the New Hampshire branch of the Sons of the American Revolution for evidence of good citizenship which was won by Robert Herrick.

Miss Gile has done her accustomed follow up work of the medical examination closely, and has reported the amount and kind of work done. Her work has been beneficial to many children.

From a statement of the average cost per pupil in New Hampshire Elementary Schools, I find that our elementary school cost us, this year, $43.72 per pupil. That does not mean much when stated by itself, but when we learn that of all the 241 elementary school districts in the state, the Plymouth district alone has a lower average cost, and that is due to a special financial concession made to that district by the State Department. So that of all the districts in the state, not having special financial concessions, our per pupil cost of education in the grades is the lowest. The per pupil cost runs as high as $508.18. Our per pupil cost in the high school was $115.66, and 60 of New Hampshire's 85 high schools had a higher per pupil cost. This paragraph will be of interest to those who think our schools may be run extravagantly. They surely are not, and we could use more money to advantage.

From a series of tests given to New Hampshire high schools we learn that the mark indicating the real intelligence of our seniors was above the median for the state as a whole. In the History tests the scores ranged from 21 to 72, with our seniors scoring 40. In English the scores ranged from 62.5 to 196.6 while our score was 106.6, which was above the median score.

The Grammar School graduation was held in the school hall at 2 P.M. on June 8. The honor pupils were Barbara Severance and Kenneth Ryder. The High School graduation was in the Opera House on the evening of June 7th. The valedictorian was Miss Velna Kelso, and Miss Frances Craige was the Salutatorian.

Respectfully submitted

A. A. HOLDEN,
Supt. of Schools
